

Announcing Great Deals on the World's Most Accurate Handheld Moisture Testers!

Effective March 1, 2010, DICKEY-john is reducing the list price of the mini GAC family of hand held moisture testers. Increased sales and component cost reductions have allowed us to reduce our overall costs and pass the savings on to you and the customers.

MiniGAC: List Price \$395

Includes: Mini GAC handheld moisture tester, grain funnel, quick-start guide, warranty card.

MINIGACACCESSORY PACK: List Price \$96.99

Includes: carrying case and carrying lanyard.
