

# Protecting your Investment with Crop Insurance

*Agribusiness Strategy Session*

**Tuesday, August 9<sup>th</sup>, 2016**

**2:00 P.M.**

Keauhou Shopping Center

78-6831 Ali'i Drive,

Suite 140

Kailua-Kona, HI 96740

**A** griLogic Consulting, one of the largest developers of crop insurance programs for the USDA, will be conducting a FREE strategy session for agricultural producers in Hawaii. The goal of this agribusiness session is to encourage producers to become familiar with crop insurance and other disaster programs available to them that can assist them in the event of a major disaster. This strategy session will be free and open to all agricultural producers interested in learning about how the use of these types of tools can protect their farming investment.
